8. FrontEnd editing

Frontend editing, with Aloha Editor, makes it possible for you to edit existing content on the website without entering the backend interface. This function also works for editing existing record content, like News.

8.1 Editing text content
8.2 Editing images
8.3 Top bar menu
8.4 Enable and disable frontend editing

About TYPO3manual.com

TYPO3manual.com is an online manual for editors working with TYPO3. It is powered by the web design agency Pixelant
