2.5 Adding image or movie to the news article

To add an image to the news, go to the tab Relations. Click Create new below Media Element. (img. 2.5.1)

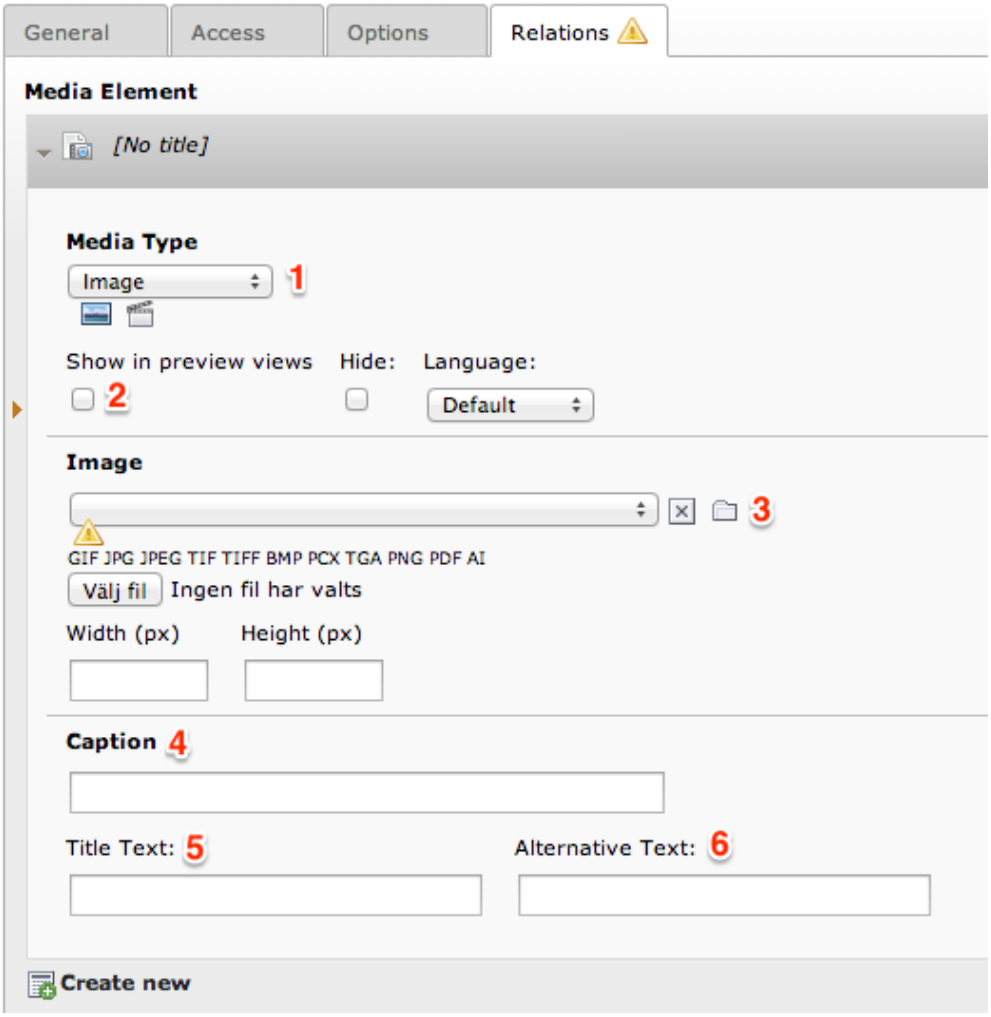

2.5.1

A box with the text "No title" appears. Click the text. (img. 2.5.2)

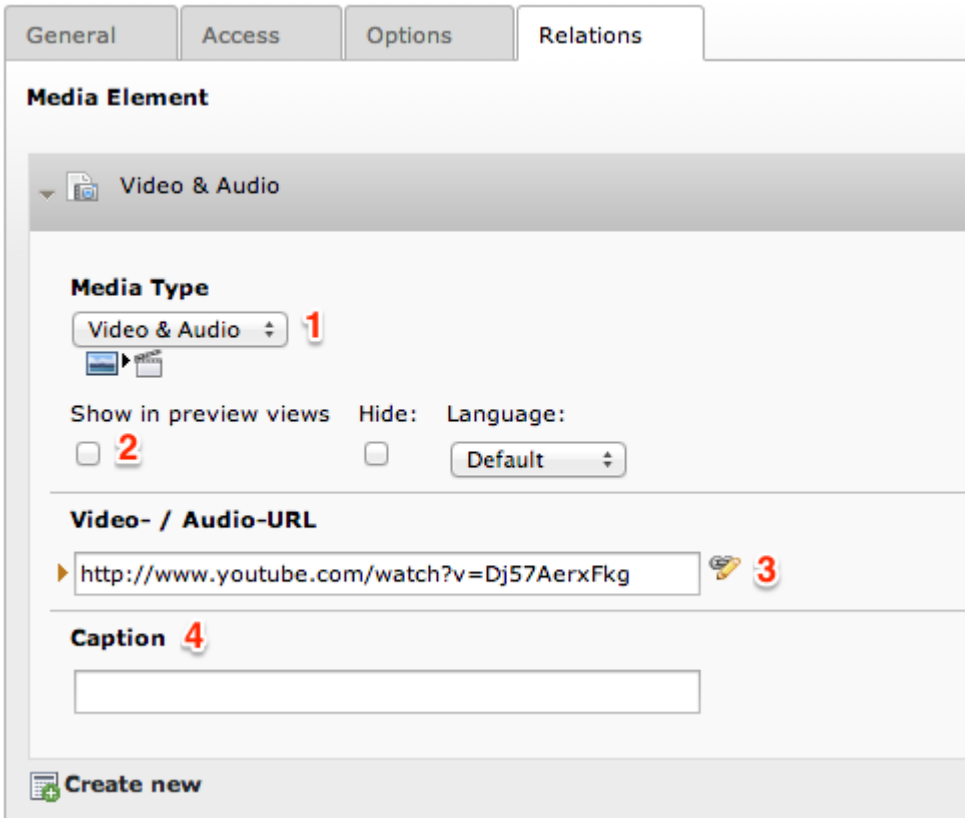

2.5.2

Media Type can be set to Image or Video (1). To make sure a thumbnail is shown in all list views, check this box (2). To add the image, click the folder icon to enter the Filelist and select the image in the file structure (3). You can add a caption to the image (4). The Title Text can be displayed, when holding the cursor over the image (5). (img. 2.5.3)

2.5.3

If you select the Media Type Video & Audio the fields available are a bit different (1). Still to make sure a thumbnail is shown in all list views, check this box (2). To add the video or audio, either copy an address from Youtube or click the link icon to enter the Filelist and select the video/audio in the file structure (3). You can add a caption to the video/audio (4). (img. 2.5.4)
