

## 5.5.8 Icon, Text and Link

The 'Icon, Text and Link' element is also an info box, that is often used on the start page or as a promo box in a right hand column on subpages. There is an icon selection included in the element, and the icon is presented in a larger format than in the "Icon, Text and Button" element. The element can be found below 'Content elements' when creating a new element. (img 5.5.8.1)
