# 6.2 Search

The search function for the entire installation can be found in the upper right corner. This function searches all content, which means that you can also find elements containing a word. (img. 6.2.1)

6.2.1

Type a word in the search field, and a list of objects will appear. Select to edit the content of selected objekt. Select Show All to get a complete list. (img. 6.2.2)
