

## 10.2 Search

The search function for the entire installation can be found in the upper right corner. This function searches all content, which means that you can also find elements containing a word. (Img. 10.2.1)

10.2.1

Type a word in the search field, and a list of objects will appear. Select to edit the content of selected objekt. Select Show All to get a complete list. (Img. 10.2.2)
