3.6.2

Select objects with the checkboxes and then an action with the icons above. You can move selected items with 'Transfer the selection of files to clipboard' (1). If you click the trash can icon (2) to delete content you will be asked to confirm if you wish to remove these objects. Finally there is an icon to select/un-select (3) all items in the list. (3.6.3)

The three available clipboards make it possible to collect files from one folder, into the separate clipboards, to later paste the content into separate folders.
