

## 2.8 Add related news to news article

You can add related news that will appear below the news article. Go to the 'Relations' tab and search for news items in the search field, marked 'Find records', by typing the title of the news. They will appear as options, select by clicking the title of the news. It will then be added in the field to the left. If you don't know the title, it is also possible to click the folder icon next to the search field or the 'News' button below. This will open up the page tree in a popup. Go to the News-folder in the tree and select your news article in the list. (img. 2.8.1)
